

OEM Integration Made Simple

Ford and Autosoft DMS

Autosoft's DMS is certified for integration with Ford's dealer communications system. **Improve operational efficiencies with significant time savings and error reductions.**

F&I/Sales Integrations

- » **eREACT:** New and used vehicle sales, parts sales, and parts information for participating dealers is transmitted to Ford.
- » **eContracting:** Through Autosoft DMS, you can submit your eContract directly to RouteOne for deal processing.

Accounting Integrations

- » **Financial Statements:** Autosoft DMS enables you to compile, prepare, print, and download financial data from the general ledger and transmit the statement to Ford.
- » **Factory Receivable Statements:** Warranty claim payments can be retrieved from Ford and pulled to the Factory Receivable Statement posting screen within your DMS instead of having to manually type the information.

Parts Integrations

- » **Ford Parts Interface:** This utility allows you to generate a parts order download file, receipt parts orders into inventory, and access the Ford DOW logon screen.
- » **E-Catalog Advantage:** Through this integration, you can build a shopping list within the e-catalog and transfer it to the Parts Queries screen within your DMS.
- » **eREACT:** Parts information for participating dealers will be transmitted to Ford.

Service Integrations

- » **Ford One Warranty Solution:** This integration allows you to view and print Ford's concern codes, review warranty claims created in your DMS prior to submitting them to Ford, pull transaction summaries for claims, and view data for paid claims.
- » **OASIS:** Autosoft DMS can pull in vehicle information and history from Ford.
- » **Labor Time Guides:** View and select Ford's labor operations that apply to a specific repair and pull into a repair order in your DMS.
- » **eREACT:** Repair orders for participating dealers will be transmitted to Ford.
- » **Ford SMARTT Appointments:** This integration with Autosoft Service Schedule allows customers to make appointments online with your service department.

" This integration between Ford and its dealers is part of our continued commitment to bring innovative technologies to market that help our customers work more effectively. "
