# OEM Integration Made Simple

Mazda Motor Corporation and Autosoft DMS

Mazda has approved Autosoft's DMS for integration with its dealer communications system. **Improve operational efficiencies with significant time savings and error reductions.**

## Accounting Integrations

» **Financial Statements:** Autosoft DMS enables you to compile, prepare, and print monthly and year-end Mazda financial statements from your general ledger and download them directly to Mazda.

## Service Integrations

» **Mazda Warranty:** Submit warranty claims to Mazda.

» **Mazda Recall:** View recall information for a vehicle when writing the repair order.

## Parts Integrations

» **Parts Interface:** Download parts orders, parts returns, and bin locations to Mazda to assist with parts stocking and tracking.

“ This integration between Mazda and its dealers is part of our continued commitment to bring innovative technologies to market that help our customers work more effectively. ”

– Bryce Veon, President & CEO, Autosoft
