

OEM Integration Made Simple

Mitsubishi Motors North America, Inc. and Autosoft DMS

Mitsubishi Motors North America, Inc. has approved Autosoft's DMS for integration with its dealer communications system. **Improve operational efficiencies with significant time savings and error reductions.**

Accounting Integrations

»» **Financial Statements:** Autosoft DMS enables you to compile, prepare, and print monthly and year-end Mitsubishi financial statements from your general ledger and download them directly to Mitsubishi.

Service Integrations

»» **Mitsubishi Warranty:** Submit warranty claims to Mitsubishi.

Parts Integrations

»» **Parts Interface:** Download parts orders and parts returns to Mitsubishi to assist with parts stocking and tracking.

“ This integration between Mitsubishi and its dealers is part of our continued commitment to bring innovative technologies to market that help our customers work more effectively. ”

– Bryce Veon, President & CEO, Autosoft
