

# OEM Integration Made Simple

## Volkswagen and Autosoft DMS

Autosoft's DMS has been approved for integration with Volkswagen's dealer communications system. **Improve operational efficiencies with significant time savings and error reductions.**

### Accounting Integrations

»» **Financial Statements:** Autosoft DMS enables you to compile, prepare, and print monthly and year-end Volkswagen financial statements from your general ledger and download them directly to Volkswagen of America.

### Service Integrations

»» **Volkswagen Warranty:** Generate, review, and submit warranty claims to Volkswagen of America.

»» **Labor Time Guides:** Search for labor operations and pull the labor operations to the warranty repair order.

### Parts Integrations

»» **Parts Interface:** Transmit parts orders and returns to Volkswagen of America and receive answerbacks to assist with parts stocking and tracking.

“ This integration between Volkswagen and its dealers is part of our continued commitment to bring innovative technologies to market that help our customers work more effectively. ”

– Bryce Veon, President & CEO, Autosoft
